

SERRV's Best By Dates (BBD) for Food Items

We aim to stock inventory with the following minimum timeframes prior to BBD:

3 Months:

Spices
Pestos & Sauces
Baking Mixes
Soup Mixes
Jams & Marmalades
Olive Oil
Popcorn
Other food

2 Months:

Chocolate
Tea

1 Month:

Coffee

SERRV ships food with BBD minimums as listed above for **non-sale** food items. Sale items will have shorter windows than listed. Please keep these timeframes in mind when ordering large quantities of food items. We're happy to provide you with best-by dates for individual skus before you order, to help you make decisions on appropriate quantities.

If you receive non-sale food items with a shorter BBD than those listed above, please contact us to resolve the issue.

Thank you for your understanding and support!
